Verse

Em D-C
Colours on the street
Red white and blue
People shufflin' their feet
People sleepin' in their shoes
But there's a warnin' sign on the road ahead
There's a lot of people sayin' we'd be better off dead
Don't feel like Satan but I'm to them
so I try to forget it anyway I can

Chorus

G D C CC Em
Keep on rockin' in the free world. x4

Verse

Em **D C**
I see a girl in the night
With a baby in her hand
Under an old street light
Near a garbage can
Now she puts the kid away and she's gone to get a hit
She hates her life and what she's done to it
That's one more kid that will never go to school
Never get to fall in love never get to be cool

Chorus

G D C CC Em
Keep on rockin' in the free world. x4

We got a thousand p-oints of light
For the homeless man
We got a kinder gentler machine gun hand

We got department stores and toilet paper
Got styrophone boxes for the ozone layer
Got a man of the people says keep hope alive
Got fuel to burn got roads to drive
