Just take those old records off the shelf

I'll sit and listen to them by myself

Today's music ain't got the same soul

I like that old time rock and roll

Don't try to take me to a disco

You'll never even get me out on the floor

In ten minutes I'll be late for the door

I like that old time rock and roll

Still like that old time rock and roll

That kind of music just soothes the soul

I reminisce about the days of gold

With that old time rock and roll

B Won't go to hear them play a tango **E**
I'd rather hear some blues and funky old soul **A**
There's only one sure way to get me to go **B**
Start playing old time rock and roll **E**

B Call me a relic, call me what you will **E**
Say I'm old fashioned, say I'm over the hill **A**
Today's music ain't got the same soul **B**
I like that old time rock and roll **E**

B Still like that old time rock and roll **E**
That kind of music just soothes the soul **A**
I reminisce about the days of gold **B**
With that old time rock and roll **E**
